Minimum Payments

If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.

If you are unable to pay the minimum payment, please contact us as soon as possible.

If you do not pay off the full amount outstanding, we will allocate your payment to the outstanding balance in a specific order, which is set out overleaf within the summary box section on allocation of payments. The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.

If you make the minimum payment of £ 82.86 and it reaches us on the due date of 25 Aug 2014, your estimated interest payment next month is £ 47.40. Please refer to overleaf for further details.
