Hi Esther

The RL Bond is part of the Qrops with Quartermain not SLAC

Approx £55k is held in cash within the bond, rest is in managed funds. All of the Qrops is Mels. SLAC is mine

The policy number for the bond is PM10004511

I think so re commercial property, last place we tentatively looked at has gone so am keen to accumulate the cash in the ssas so when I start looking again I can potentially move quickly

Kind regards

Hi Pete,

Sorry to trouble you. You have mentioned previously about R.L.360 In Specie Transfer.

Would you have any details about this policy that you may send me, so I may include it within the transfer pack to Standard Life please?

Lastly, are you still thinking about purchasing a commercial property through the ssas?

Thanks again.

Kind Regards

Esther
