Hi Esther

Standard Life wrote to me over Christmas, letter attached.

Queries from it are below

Address on the discharge is correct, unfortunately SLAC have my old address. I have just called them now to change to the correct one (Blackpool Rd)

Re the 80 Lytham Road address, that is simply the registered office of Woodville Consultants Ltd (my Accountants)

The P60 has my old home address (Victory Blvd) which SLAC queried, however that was the address when the P60 was issued, we have moved since then.

Can I leave that with you to revert back to Standard Life?

Happy New Year Esther and speak soon

Kind regards

Pete

Thanks Esther

SLAC, have just sent back the original docs that you'd sent within the pack being the trust deed

Do you need that copy or is it for me?

Kind regards
