New accounts filing deadline
30 September 2020

More time to file your accounts

You may have received a letter from us to remind you that your accounts for 01 October 2018 to 30 September 2019 are due.

The Corporate Insolvency and Governance Act has now been passed by the government, and the relevant regulations came into force on Saturday 27 June 2020. As a result, your accounts deadline has been extended.

Your new deadline is:

30 September 2020

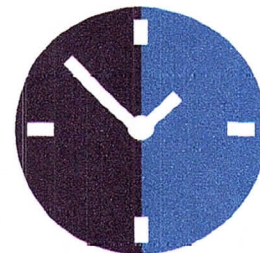

If your new deadline is within the next 6 weeks, we will not send you another reminder. You should start to prepare your accounts now if you have not already done so.

! You must file your accounts by your new deadline or you'll get a late filing penalty.
