- a **Valuation** for each product wrapper

### Changes to your Terms and Conditions (T&Cs)

## Important Information

### Changes to your Terms and Conditions (T&Cs) from 1 July 2020

We've made changes to your T&Cs. They're alterations to reflect process changes we've made and to make some areas clearer to you.

If you are unhappy with the proposed changes to these T&Cs you should notify us of this. You have the right to terminate your use of the service and request that we close all your products and pay the proceeds to your UK bank account or transfer investments, or the proceeds of their sale to another provider, where applicable, at no additional cost to you.

Here's details some of the most significant changes you should be aware of:-

- If you have invested in an ARC Insured Fund and you request to sell some of the units we can delay cancelling the sale of the units in certain circumstances. The period of delay depends on whether the ARC Insured Fund is invested in property or not. We have extended the period of delay for up to 12 months even if the ARC Insured Fund is not invested in property. This change only applies to new SIPP wrappers opened from 1 July 2020 and so existing SIPP wrappers are unaffected by this change.
- We have clarified that we can change the objectives of an ARC Insured Fund so long as in doing so the risk profile is not materially changed, i.e. an ARC Insured Fund with a cautious risk profile is not changed to a high-risk profile.
- We have clarified the circumstances in which your annual charge may be discounted and the circumstances in which any such discount is removed from your annual charge.
- We have introduced a new option to use the additional permitted subscription allowance in an ISA provided by us.
- We have clarified what will happen to an investment which you have included in a model portfolio or default investment strategy and which has become suspended but then later becomes available to trade again.

**You can find a copy of the 'Summary of changes' document and the new T&Cs at [aegon.co.uk/arctc](https://aegon.co.uk/arctc).**

1. Pending is the sum of monies allocated to trades that haven't settled at the end of the statement period. These include: switches, buy and sell instructions, movement of cash and incomplete rebalancing instructions. Transfers where proceeds of the transfer haven't yet been received aren't included.
