Dear Sir or Madam

### Notification of registration for tax relief and exemptions

<b>Pension scheme name:</b>	IZI Property Problem Solvers
<b>Date we registered your scheme:</b>	8 October 2021

Tax relief and exemptions are due from this date.

This is a formal notification from HM Revenue and Customs (HMRC). It tells you that we acknowledge your declaration of liability and registration of the above pension scheme for tax purposes only. It has no other legal meaning.

<b>Pension Scheme Tax Reference (PSTR)</b>	20004789RK
--	------------

You should use the PSTR to view the scheme details online and in all future communications with us.

### Your pension scheme

On your application for registration you told us that the scheme above is an occupational and investment-regulated pension scheme.

If the scheme stops being investment-regulated and/or changes its pension scheme structure, then you must tell us about the change on an Event Report.

If there are any changes to the declarations you gave when applying to register the scheme, you should tell us as soon as possible.

An occupational pension scheme is defined in section 150(5) of Finance Act 2004 as “a pension scheme established by an employer or employers and having or capable of having effect so as to provide benefits to or in respect of any or all of the employees of:

- that employer or those employers
- any other employer

If you need extra support, for example if you have a disability, a mental health condition, or do not speak English/Welsh, go to [www.gov.uk](http://www.gov.uk) and search for ‘get help from HMRC’. Text Relay service prefix number – 18001

whether or not it also has or is capable of having effect so as to provide benefits to or in respect of other persons”.

As you have told us that this is an occupational pension scheme, we expect a genuine employer to have established the scheme. If this is not the case, we may de-register the scheme.

### **Authorised Transfers**

When you applied for registration you confirmed that:

- the pension scheme rules do not directly or indirectly entitle any person to unauthorised payments
- the pension scheme will not be administered in a way that knowingly entitles any person to unauthorised payments

You must make sure that any transfer of sums and assets out of the pension scheme is a recognised transfer in accordance with section 169 of Finance Act 2004. We will consider any transfer that is not a recognised transfer as an unauthorised member payment.

An unauthorised member payment would be a scheme chargeable payment. As scheme administrator of the pension scheme you would be liable to a charge to Income Tax of up to 40% of the unauthorised payment, known as the scheme sanction charge.

You can get detailed guidance on pension liberation, which you may find useful in deciding if you should action a transfer request, from The Pensions Regulator. Go to [www.thepensionsregulator.gov.uk](http://www.thepensionsregulator.gov.uk)

### **De-registration**

We may carry out checks to make sure that the information provided in the application for registration is accurate and that the pension scheme continues to meet the conditions to be a registered pension scheme for tax relief and exemptions.

If we find that any of the conditions in section 158 of Finance Act 2004 apply, then we may de-register the pension scheme. If we do, we will charge you a de-registration tax charge of 40% of the total of:

- the amount of any sums held for the purposes of the pension scheme immediately before it stopped being a registered pension scheme
- the market value at that time of any assets held for the purposes of the pension scheme

You can find more information about recognised transfers, unauthorised payments and de-registration in the Pensions Tax Manual. Go to [www.gov.uk](http://www.gov.uk) and search for 'Pensions Tax Manual'.

### **Your responsibilities as the scheme administrator**

As part of the registration process, you declared that as the scheme administrator you are a fit and proper person to carry out the role and you will comply with section 270(3) of Finance Act 2004. This means that you:

- understand that you will be responsible for carrying out the functions conferred or imposed on the scheme administrator by and under this section
- intend to carry out those functions at all times, whether resident in the UK or another state which is a European Union member state or a non-member European Economic Area state

If you do not comply with section 270(3), or it appears to HMRC that you are not a fit and proper person, we may de-register the pension scheme.

If you contact us, we can deal with you more quickly if you quote our reference number and give us your contact details.

Yours faithfully
