Re: Request for information

Dear Sirs,

I am writing in connection to my pension scheme and shall appreciate your help in assisting with my query.

In 2018 I transferred my workplace pension to what I believe to be a pensions administrator named Pension Practitioner. I believe that pension firm still has my pension money and through my investigation, it appears that firm is no longer trading.

I found that firm may be linked to yours - Chorley New Road 09508411.

If there is a connection, could you please confirm, and I will be happy to provide my personal information to enable to you to find out where my pension money is.

Please feel free to telephone me on 07899 982319, or you can write to me at my home address.

I look forward to hearing from you either way.

Yours faithfully
