Money in your energy account

Sometimes you'll see money build up in your account. This happens for most customers and we use that money in the months you use a bit more energy. Don't worry, we'll check your payment plan twice a year to make sure you're not paying more than you need to.

Good news, you can pay a bit less

You're using less energy, so we're reducing your monthly payments to £238.77 starting from 9 Feb 2023.
